LEGISLATIVE COUNSEL'S DIGEST

Bill No. 0039
as introduced, Hill.
General Subject: Tobacco products.

Existing law, the Stop Tobacco Access to Kids Enforcement (STAKE) Act, prohibits the sale, distribution, or nonsale distribution of tobacco products, as defined, directly or indirectly to any person under 21 years of age through the United States Postal Service or through any other public or private postal or package delivery service. Existing law requires a person selling or distributing tobacco products directly to a consumer through the United States Postal Service or by another postal or package delivery service to comply with specified age-verification policies. Existing law authorizes enforcing agencies to assess civil penalties for violations of the STAKE Act.

This bill would additionally require sellers, distributors, and nonsale distributors to deliver tobacco products only in conspicuously marked containers, as specified, and to obtain the signature of a person 21 years of age or older before delivering a tobacco product.
